The property can also be offered chain free.

Extending to approximately 1,428.8 sq ft, this stylish home has been thoughtfully enhanced by the current owners to create a high-quality finish throughout. The standout

Porcelanosa wood-effect porcelain flooring runs across the ground floor, adding a luxurious yet practical touch.

The accommodation is both spacious and versatile, with a welcoming entrance hall, guest cloakroom and a flexible ground-floor room ideal as a snug, home office or playroom. The first floor offers a generous reception room, a further double bedroom and the family bathroom, while the top floor features an impressive principal bedroom with en suite, together with an additional well-proportioned bedroom.

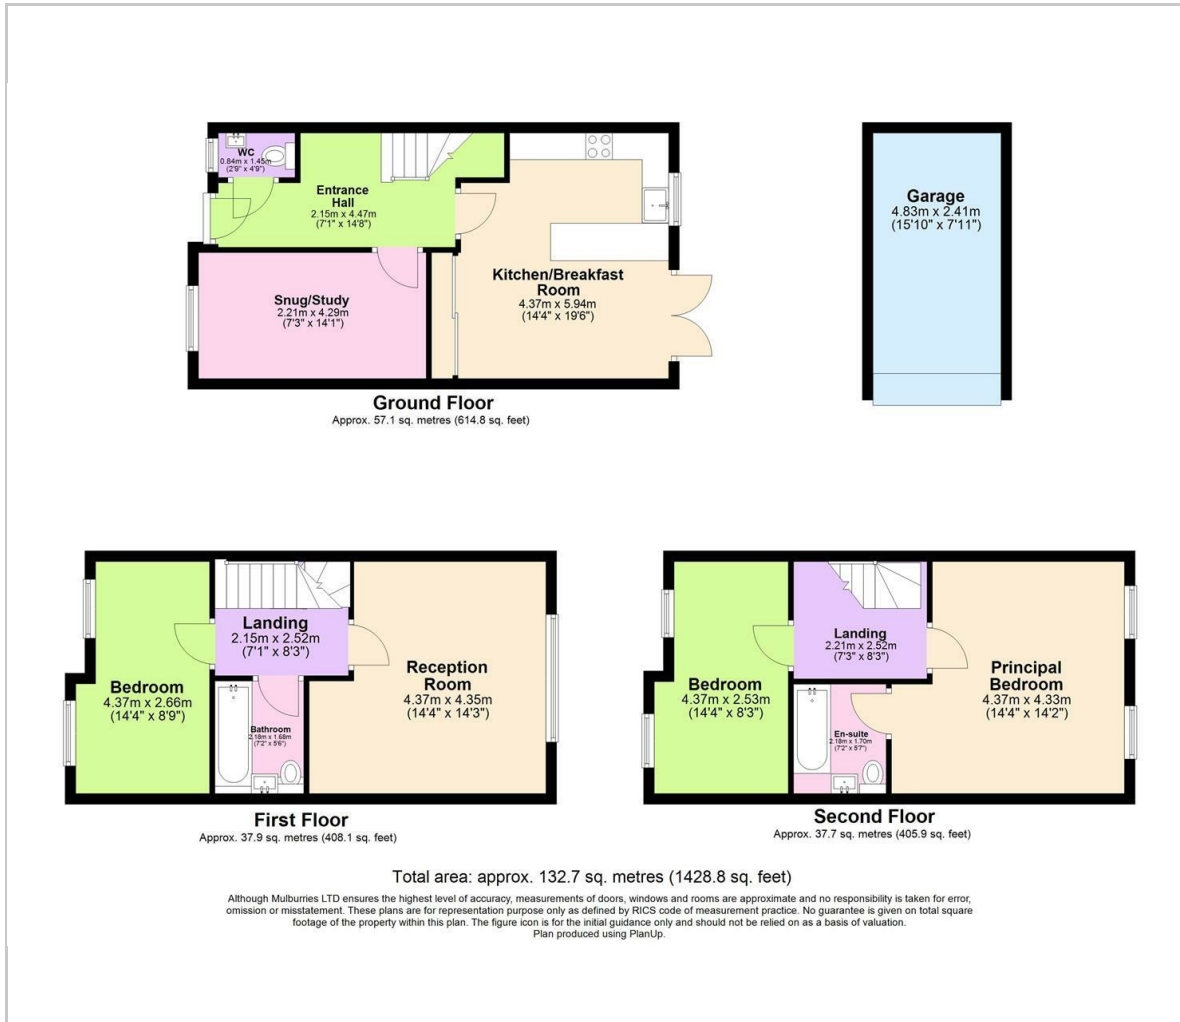

Outside, the south-facing rear garden is ideal for entertaining and relaxing, while the property also benefits from a garage and one parking space to the rear, with additional on-road parking available nearby.

Further highlights include Everest uPVC windows and external doors, substantial roof improvements completed in 2018, a full rewire with updated fuse board, added spotlights, and an annually serviced combi boiler. With excellent local schooling, canal-side walks, and popular marina restaurants including Darcy's, Rana, The Paper Mill and The Union Café close by, this is a superb home combining space, style and lifestyle in equal measure
